It depends (please explain)

I would like to be able to download it and save it to my personal computer as videos for future indefinite reference.

It depends on that class and if it will be applicable to my professional career or future classes. If it will be a useful resource for the future I would like to keep it but if it is for a pointless GenEd then I wouldn't need it once the class ended.

If they are available for download - only during the semester. If they are not available for download (must be
